Dear Potential Sponsor:

I am writing you about a sponsorship opportunity with the 2023 Dothan Adolescent Community Youth Advisory Council (DAC YAC). DAC YAC was started in 2021 by Kenneth Brown, MD, (pediatrician); David Lozano, MD,(pediatric pulmonologist); and, me. The organization received its 501(c)3 non-profit status from the Internal Revenue Service in 2022.

We provide a platform for adolescents and young adults to discover health issues relevant to them and their peers, advocate for change, and learn how to take personal responsibility for their own health and healthcare so they can make a seamless transition to medical care as they enter adulthood.

We choose a group of young adults ages 15-24 from the Wiregrass area each year who meet twice a month to learn about different healthcare topics. They are also asked to develop a community service project involving the adolescent community's health. This year's group has chosen, Feel Good Field Day. Feel Good Field Day is an adolescent health awareness event open to teenagers, young adults, parents, teachers, and community members of the Wiregrass area.

Below are the details about the 2023 Sponsorship Levels:
